Dear Alison,

Attached is the file for the Electoral Role of ASH members who are eligible to vote in our election of office bearers. There are 452 in this file which includes those who are financial until 30th December2017 together with those who have renewed until 30thJune2018. I have labelled the file 2017 as it is the current membership with the date base being up to date at today's date.

Do you require me to complete a statement to certify that this role is true and accurate or will this email be sufficient ?

Regards,
Ann Wilson
Executive Officer ASH
