

**THE FEDERAL
REDISTRIBUTION
NORTHERN TERRITORY**

Objection 1

Hi - Wagait Shire is less than 10 km from Darwin City. Residents catch a ferry daily into Darwin for every day activities i.e. Work, school, medical, sport, shop, socialising as would any resident from Cullen Bay.

I believe the Wagait Shire should be included in the Solomon Electorate rather than the Lingjari Electorate to which residents have little to no connection.

Regards
