NAME CHANGE PROPOSAL FOR MCMILLAN ELECTORATE

I would like to propose a change of name for my electorate of McMillan. It seems there is no denying that Angus McMillan was involved in massacres of the local aboriginal people, and it is obviously very hurtful that this name continues. I feel embarrassed that this has not changed yet and think it is obviously time for a review of this.

I'm sure there is many more people that are more deserving than Angus McMillan to be recognised by having an electorate named after them.
