To whom it may concern,

Opposition to the Redistribution of North Sydney Electorate

I am writing to express my strong opposition to the proposed redistribution of the North Sydney electorate. As a longstanding community member, I believe our electorate, with its rich history since federation, plays a vital role in representing the diverse interests of its residents.

The North Sydney electorate has, over the years, fostered a strong sense of community and has been a crucial platform for local representation. The proposed changes may disrupt this dynamic and jeopardize the connection between elected officials and the constituents they serve.

I urge you to consider the unique needs and challenges faced by our large and diverse community. Maintaining the integrity of the North Sydney electorate ensures continued effective representation and advocacy for the issues that matter most to us.

Thank you for your attention to this matter, and I trust that you will carefully weigh the impact of any proposed changes on our longstanding community.

Sincerely,

Adrian Kelly
