Dear Sir

It has come to our attention that new Federal Seat to be created in Queensland is yet to be named. We have also been informed that the name of WATERS has been proposed. We would strongly endorse this proposal. Warrant Officer Leonard Victor WATERS was the only aboriginal pilot in the RAAF during World War 2 and has outstanding record in this regard. He epitomises the values that are inherent in the Australian spirit. He stands as role model to all Australians regardless of ethnic background. We, therefore, have no hesitation in requesting the the name WATERS be given every consideration when the selection of a name for the newly proposed seat is undertaken.

Yours faithfully
Ray and Moya DEANE
