

The Federal Redistribution 2009
QUEENSLAND

Objection Number 10

Geoff Smith

To: QLD Redistribution
Subject: Leichhardt/Kennedy

The plan to cut Edmonton and Kuranda out of Leichhardt and add them to Kennedy electorate is sheer lunacy, bureaucracy gone out of control and out of touch with reality.

As a citizen of Kuranda, I find it ludicrous to be added to an electorate that is about Western Queensland outback primary producers and mining cities, nothing about tropical rainforests and tourism etc.

Please register my objection to the proposal.

Regards,
Geoff Smith
