Dear Peter,

I was very irate when I read of the proposed electoral boundary changes, but was unable to attend the meeting and show my support.

I certainly hope we are not on the list of 10,000 voters suddenly in the Electoral Commission's redistribution sights, for the Mackay-based federal seat of Dawson (we are interested in Annandale, Mulgurri doesn't that make sense??) Would Dawson MP have our area's interest as a major concern? of course not he would have Mackay's interest fore-most. i.e roads, bridges, etc.

How many people would phone Mackay with a concern? or even a complaint/s. Perhaps, is that the idea not to hear from voters with concerns? This to me is a problem. I want to stay a member of the Annandale community and feel very strongly against this boundary plan/proposal.

We do not want Annandale taken out of the seat of Herbert. - NO! NO!

Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

Dear Annandale Resident

## PROPOSED FEDERAL ELECTORAL BOUNDARY CHANGES

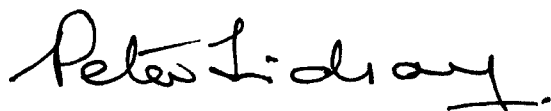

The Australian Electoral Commission is proposing new boundaries that will see the suburbs of Annandale and Wulguru (with the exception of Lavarack Barracks) shifted from your current Federal electorate of Herbert to the Mackay-based Federal electorate of Dawson.

If this proposal is adopted, it will mean you will have a Federal Member of Parliament representing Annandale from an office 400 kilometres away in Mackay.

If you think this is wrong you can help to convince the Australian Electoral Commission that Annandale must not be taken out of the seat of Herbert.

Please find a form on the other side of this letter. You can use this to lodge an objection to the proposed changes. Please complete this form and return to me in the reply-paid envelope provided.

Best regards
