

**NOTICE OF DECISION ON PARTY REGISTRATION
DEREGISTERING A POLITICAL PARTY AND REMOVAL FROM THE
REGISTER OF POLITICAL PARTIES
NO5G PARTY**

Notice of decision under s 137(6) of the *Commonwealth Electoral Act 1918* (Electoral Act) and Statement of Reasons

1. I am writing in accordance with s 137(6)(b) of the Electoral Act to notify you of the review conducted under s 138A(1) of the Electoral Act and the determination to deregister No5G Party (the Party) and cancel the Party's particulars from the *Register of Political Parties* (the Register).
2. As a delegate of the Electoral Commission, I am authorised to deregister the Party under s 137(6)(a) of the Electoral Act, and to cancel the particulars of the Party on the Register under s 138 of the Electoral Act.
3. On 8 October 2021, the Electoral Commission issued a Notice to the Registered Officer of the Party, Mr Raymond Broomhall, under s 138A(3) of the Electoral Act (s 138A Notice). This Notice requested the Party provide the Australian Electoral Commission (AEC) with an electronic membership list of between 1,500 and 1,650 members in order for the AEC to determine the eligibility of the Party to remain registered. The due date for responding was 8 December 2021.
4. On 26 November 2021, I sent a reminder to the Party outlining the requirements of the s 138A Notice.
5. On 8 December 2021, the Party responded to the s 138A Notice providing a list of 1,063 members.
6. On 17 December 2021, the Party was issued with a notice under s 137(1) of the Electoral Act (the s 137 Notice), that I, as the delegate of the Electoral Commission, was satisfied on reasonable grounds that the Party does not have at least 1,500 members. Pursuant to s 137(2) of the Electoral Act, the Party was provided with one month to respond to the s 137 Notice (being 17 January 2022).
7. On 17 January 2022, the Registered Officer of the Party provided a statement in accordance with s 137(2) of the Electoral Act.
8. Section 137(5) of the Electoral Act prescribes that:

Where, in response to a notice given under s 137(1) in relation to a political party, a statement is lodged under s 137(2), the Electoral Commission shall consider that statement and determine whether the political party should be deregistered for the reason set out in that notice.

Decision

9. As a delegate of the Electoral Commission, I am satisfied on reasonable grounds that the Party does not have at least 1,500 members, and the Party should be deregistered.

10. I have determined that No5G Party be deregistered under s 137(1)(b) of the Electoral Act, for the reasons set out in this Notice, and that the particulars of the Party be cancelled from the Register under s 138 of the Electoral Act.

Materials I have taken into account

11. In making my decision, I have had regard to:
- the s 138A Notice;
 - the s 137 Notice;
 - the statement provided by the Party in response to the s 137 Notice on 17 January 2022;
 - Part XI of the Electoral Act; and
 - the AEC *Guide for maintaining party registration*.

Findings of Fact

12. On the material before me, I make the following findings.
13. The membership list lodged on 8 December 2021 contained the details of 1,063 members.
14. The Party was issued with a s 137 Notice on 17 December 2021 and provided a statement in relation to that notice on 17 January 2022.

Supporting statement

15. I have considered the statement lodged by the Party on 17 January 2022, setting out reasons why the Party should not be deregistered.
- a) “On 8 December 2021, (based on advice given by the AEC on 7th and 8th December) the Party reluctantly responded to the s138A Notice by providing a list of 1,063 members of the Party to demonstrate that we were on our way of meeting requisite number of members if granted an extension.”
- b) “[The] Party has been increasing its membership and have been in merger discussions with other parties and groups. The Party has increased its membership by 125 members since that time. A list can be made available.”
- c) “The Party also experienced communication interference with reaching our members via email communications. This was mainly due to Microsoft blocking our emails from reaching our members with Hotmail.com and Outlook.com accounts (blocking our domain as suspected spam).”
- d) “It’s very unfair that a parliamentary party does not have to have membership nor be audited by the AEC in order to become a political party. Yet the No5G Party must have at least 1,500 members to remain registered as a non-parliamentary party. We obeyed the rules and the law and became a legitimate registered political party after raising 550 members in January 2021. We only had a short period of time to triple our membership and all we require is a little more time to obtain the requisite target.”
- e) “It is reasonable that under these circumstances the party should not be deregistered.”
- f) “I therefore request for an extension until the 28 February 2022 to be granted to submit a final membership list for AEC consideration.”

16. I reject the reasons outlined by the Party in its statement provided on 17 January 2022. I consider the Party has been provided sufficient opportunities to be compliant with the increased membership requirements of the *Electoral Legislation Amendment (Party Registration Integrity) Act 2021*.
17. Further, the Party indicates that it has 'increased its membership by 125 members' from the membership list of 1,063 provided on 8 December 2021, which does not satisfy the requirement to have at least 1,500 members.
18. Accordingly, I am satisfied that the Party does not have at least 1,500 members. In my capacity as a delegate of the Electoral Commission I have deregistered No5G Party under s 137(6) of the Electoral Act and the particulars of the Party have been cancelled from the Register under s 138 of the Electoral Act.
