

**NOTICE OF PARTY REGISTRATION DECISION
APPLICATION TO REGISTER A PARTY IN THE REGISTER OF
POLITICAL PARTIES APPROVED
FEDERAL ICAC NOW**

Notice of decision under s 133(1) of the *Commonwealth Electoral Act 1918* (the Electoral Act) and Statement of Reasons

1. I am writing in accordance with s 133(1) of the Electoral Act to notify you of the determination of the application to register Federal ICAC Now ('the Party'), a non-Parliamentary party, in the *Register of Political Parties* ('the Register').
2. I am authorised to determine this application for party registration ('the Application') under Part XI of the Electoral Act as a delegate of the Electoral Commission.

Decision

3. I have decided to approve the Application. Consequently, I have entered the following Party in the Register:

Name of party:	Federal ICAC Now
Abbreviation:	FIN
Logo	
Registered Officer:	Ross Peter Hamer Jones
Registered Officer's address:	8 / 66 Appel Street SURFERS PARADISE QLD 4217
Does party seek election funding:	YES

Materials I have taken into account

4. In making this decision, I had regard to:
 - the original Application received by the Australian Electoral Commission ('the AEC') on 20 October 2020 and the varied Application received by the AEC on 24 May 2021;
 - the results of the testing of the Party's membership list conducted by the AEC in accordance with the sampling methodology developed by the Australian Bureau of Statistics ('the ABS');
 - Part XI of the Electoral Act;
 - the *Commonwealth Electoral (Logo Requirements) Determination 2016*;
 - internet searches of trademarked and licenced logos undertaken by a service provider engaged by the AEC;
 - the Register and the Register of Political Parties of each Australian state and territory;
 - the Administrative Appeal Tribunal ('the AAT') cases of *Woollard and Australian Electoral Commission and Liberal Party of Australia (WA Division) Inc* [2001] AATA 166 (6 March 2001) ('*Woollard*') and *The Fishing Party and Australian Electoral Commission and The Australian Fishing and Lifestyle Party* [2009] AATA 170 (the [Fishing Party Case](#)); and
 - the AEC's *Party Registration Guide*.

Findings of Fact

5. On the material before me, I make the following findings:

Procedural application requirements

6. I am satisfied that the Application meets the requirements of ss 126(2)(a)–(g) of the Electoral Act. The Application:

- were in writing, signed by the applicants (s 126(2));
- set out the name of the Party (s 126(2)(a));
- set out an abbreviation of the name of the Party (s 126(2)(b));
- set out a logo of the Party (s 126(2)(ba));
- set out the name and address of the person who is to be the Registered Officer of the Party for the purposes of the Electoral Act (s 126(2)(c));
- included a list of the names of the 500 members of the Party to be relied on for the purposes of registration (s 126(2)(ca));
- advised that the Party wishes to receive moneys under Division 3 of Part XX of the Electoral Act (s 126(2)(d));
- set out the names and addresses of the applicants and particulars of the capacity in which each applicant makes the Application (s 126(2)(e));
- were accompanied by a copy of the constitution of the Party (s 126(2)(f)); and
- were accompanied by a fee of \$500 (s 126(2)(g)).

Membership list

7. The membership list submitted for the Application submitted on 24 May 2021 contained 550 names of people that the Party considers to be current members (referred to as ‘members’ below). AEC staff cross-checked this membership list with the Commonwealth Electoral Roll (electoral roll), as required by the meaning of ‘member of a political party’ in s 123(3) of the Electoral Act.

Submitted membership list	550
Automatically matched to the electoral roll	432
Manually matched to the electoral roll	115
Unable to be matched or not enrolled on the electoral roll	(1)
Deceased	(2)
Total	547

8. Of the 547 members matched to the electoral roll the following were identified as duplicates within the membership list or as duplicate members who have previously supported the registration of a registered political party (or parties):

Total matched to the electoral roll	547
Duplicates identified in the membership list provided by the applicants	0
Members identified as supporting the registration of another party	(11)
Total	536

9. In accordance with the random sampling formula provided by the ABS, a list of 536 members requires a random sample of 44 contactable members to confirm they are members of the Party, with up to five denials of membership permitted, in order for there to be statistical confidence that the Party has at least 500 members.

The relevant numbers for this membership test were:	Members
The random sample size	44
Denials Permitted	5
The AEC attempted to contact*	48
The highest 44 responses were:	
- Confirmed Membership of the Party	39
- Denied Membership of the Party	5
PASS/FAIL	PASS

*as some members were uncontactable, or provided a neutral response

10. Accordingly, I am satisfied that the Party has at least 500 members and the Application meets the requirements of s 126(2)(ca) of the Electoral Act.

Party constitution

11. A copy of the constitution of the Party accompanied the Application as required by s 126(2)(f) of the Electoral Act. The constitution provided in the Application:
- is in writing; and
 - sets out the aims of the Party, at least one of which being the promotion of the election of its candidates to the Senate and/or House of Representatives.

12. Accordingly, I am satisfied that the Party meets the requirements of having a written constitution in accordance with the definition of *eligible political party* at s 123(1) of the Electoral Act and the definition of *political party* at s 4 of the Electoral Act.

Party logo

13. The logo set out in the Application:
- is not obscene;
 - is not the logo of any other person;
 - does not so nearly resemble the logo of any other person that it is likely to be confused with or mistaken for that logo;
 - is not one that a reasonable person would think suggests that a connection or relationship exists between the Party and a registered political party if that connection or relationship does not in fact exist;
 - does not comprise the words “Independent Party”;
 - does not comprise or contain the word “Independent” and the:
 - name, or abbreviation or acronym of the name, of a recognised political party;
 - or
 - matter that so nearly resembles the name, or an abbreviation or acronym of the name, of a recognised political party that the matter is likely to be confused with or mistaken for that name or that abbreviation or acronym;
 - is in black and white;
 - is in a vector graphic in electronic format;
 - is 100% black in a CMYK colour space;
 - is contained within a frame of 10 mm by 10 mm;
 - is able to be reproduced correctly within a frame of 7 mm by 7 mm;
 - does not include live text, transparency, overprinting, custom halftone, transfer curve or colour profile settings; and

- is in a PDF file, of less than 5 megabytes, that complies with International Standard ISO 32000-1:2008 as in force at the time of the commencement of the *Commonwealth Electoral (Logo Requirements) Determination 2016*.

14. Accordingly, on the basis of the materials before me, I am satisfied that the proposed logo submitted with the Application meets the requirements of s 126(2AA) of the Electoral Act and the specifications described in *Commonwealth Electoral (Logo Requirements) Determination 2016* and that there is no basis to refuse to enter the Party's logo in the Register under s 129A of the Electoral Act.

Party name and abbreviation

15. The Party name, Federal ICAC Now, and the abbreviation of the Party name, FIN:

- do not comprise more than 6 words;
- are not obscene;
- are not the name, or an abbreviation or acronym of the name, of another political party (not being a political party that is related to the Party) that is a recognised political party;
- do not so nearly resemble the name, or an abbreviation or acronym of the name, of another political party (not being a political party that is related to the Party) that is a recognised political party that it is likely to be confused with or mistaken for that name or that abbreviation or acronym;
- are not one that a reasonable person would think suggests a connection or relationship exists between the Party and a registered party;
- do not comprise the words "Independent Party";
- do not comprise or contain the word "Independent" and the:
 - name, or abbreviation or acronym of the name, of a recognised political party; or
 - matter that so nearly resembles the name, or an abbreviation or acronym of the name, of a recognised political party that the matter is likely to be confused with or mistaken for that name or that abbreviation or acronym.

16. Accordingly, I am satisfied on the materials before me that there is no basis to refuse the Application under s 129 of the Electoral Act.

Legislative framework – written particulars

17. Subsection 132(7) of the Electoral Act provides that the Electoral Commission shall not register a political party unless it has considered any particulars submitted objecting to a party's registration, and any reply to particulars that may have been submitted. Section 132 of the Electoral Act also outlines the requirements for submitting and processing objections to an application.

18. Paragraph 132(2)(b) of the Electoral Act provides that a person can only submit written particulars objecting to an application (or a logo in the case of point (iv)) on the following grounds:

- (i) the application does not relate to an eligible political party; or
- (ii) the application is not in accordance with s 126 of the Electoral Act; or
- (iii) the application should be refused under s 129 of the Electoral Act; or
- (iv) the Electoral Commission should refuse to enter a logo of the Party in the Register under s 129A of the Electoral Act.

19. On 30 July 2021, the application was advertised in 10 major newspapers circulating in each State and Territory of Australia and published on the AEC website. The advertised closing date for objections was 30 August 2021. No written particulars objecting to the application were received.
20. For the reasons outlined above, I approve the application from Federal ICAC Now for registration in the Register, as a delegate of the Electoral Commission for the purposes of Part XI of the Electoral Act.
