Hello AEC,

This party is a fake and is mostly Non Aboriginal people and fakewho do not speak for Country and are constantly dividing and separating our community. Sighting hate relations and racist speeches. Providing damaging false media regarding our local Darkinyoong community and Darkinjung LALC. We demand this party not be supported.

It is not an indigenous party and on the grounds that

- the application does not relate to an eligible political party
 - the application should be refused under section 129 of the Electoral Act.
