Dear Sir/Madam,

I wish to strongly object to the proposed boundary shift of the McEwan & Indi Electorates.

1. The redistribution will have significant impact on the Member for Indi's ability to adequately consult with constituents in the Murrindindi Shire.
2. The north South redistribution does not take into account the significant relationships developed by the Murrindindi Shire with local and state boundaries to the east and west of the shire
3. There is little professional or social interaction between the northern Victorian communities and those in the Murrindindi Shire

And lastly

4. I am extremely disappointed at the lack of public information and consultation and the short time span allowed for concerned constituents to express their opinions on this proposal.

Regards,

Cris Ruhr
