I would like to register my objection to naming the new electorate 'Bean'. I think that 'Cullen' is a more appropriate choice, with the highly significant and more recent work of Ngingali Cullen more relevant to contemporary Australia than that of Charles Bean.

Secondarily, 'Cullen' is a far more dignified choice than 'Bean', which for a vast section of the population will prompt immediate links to the work of comedic actor Rowan Atkinson and his character, Mr Bean!

Please reconsider this decision.

Yours sincerely,

Nicole Phelps
