To whom it may concern,

I wish to express my dismay at the possibility of Colac and Otways being moved into Wannon electorate. As a long term resident of both Colac and the Otways it has always been to Geelong and surrounds that I have looked to for transport, education, entertainment, recreation and shopping. This area has no real connection to Warrnambool and Colac would be disadvantaged with this move. This is where our community of interest is, not ninety minutes and one hundred and fifteen kilometres away to the west. Colac needs to remain in the Corangamite electorate. Of course it is to our advantage being in a marginal electorate as opposed to an outpost in a safe seat.

Hands off Colac and Corangamite!

Sincerely,

Michele Taylor
