Additional information: Pleased to see that Skenes Creek and Apollo Bay remain within the Corangamite/Cox electorate as reflects the fact that ALL our community interests are all along the coast to the east. Please re-examine the name Cox as clearly 'the member for cox' and so on is unfortunate!!!. Is there not an indigenous alternative or indeed why not just 'Great Ocean Road' in tribute to the WW1 Diggers.

Pleased to see that Skenes Creek and Apollo Bay remain within the Corangamite/Cox electorate as reflects the fact that ALL our community interests are all along the coast to the east. That is critical to us as a community which is coastal based and predominantly tourism focused rather than agricultural.

Please re-examine the name Cox as clearly 'the member for cox' and so on is unfortunate!!!. Is there not an indigenous alternative or indeed why not just 'Great Ocean Road' in tribute to the WW1 Diggers who built the worlds largest war memorial
