I wish to lodge an objection to the proposed name change of the Victorian seat of Corangamite to Cox.

Our family is alarmed at the connotations of the word COX. When you hear or watch the bullying in our Parliament...the minister can't lie straight..and then you add the Member of Cox.

Without trying the list is endless - the member would have to endure countless taunts

- it was very pointed
- hope they are never contagious
- needed to make an STD call

Imagine if the members name was Richard (Dick), Dixon

Our seat would be just made a mockery of by media and pollies alike.

We recognise May and her legacy, we have two members of our family who are qualified swim teachers and pool lifeguards.
