Victorian Redistribution objections uploaded from the AEC website.

Name: Cr Ron Nelson

Organisation: City of Greater Geelong

Address: [REDACTED]

Phone number: [REDACTED]

Additional information: As a Highton resident of Corangamite I object for a number of reasons.

Highton, Belmont, and Grovedale are community of interests within the proposed Electoral Division, including economic, social and regional interests;

The physical feature of the Barwon river is a natural boundary.

As a Councillor in the City of Greater Geelong I believe that Corangamite should retain my electorate (Ward) of Kardinia for the reasons outlined below.

- community of interests within the proposed electoral division including economic, social and regional interests;
- means of communication and travel within the proposed electoral division;
- the physical features and area of the proposed electoral division; and
- the boundaries of the existing electoral divisions in Victoria
