I have only one Objection and that is to the Name change in the **Division of Corangamite** to **Cox**

There are probably a number of alternative Names that could be suggested by way of recognition to our history
However, **Cox** has been considered as an appropriate recognition of pioneer and perhaps a pioneer that needs to be highlighted

But when that Name is put into use such as *The Member for Cox* - Ouch!
Without bringing forth another worthy Name, I put forward a Name-modification which would read:

The Member for MayCox

John Sutherland
