To Whom It May Concern,

It is with great disappointment I see there are plans to change the existing boundaries for Dunkley to exclude Mornington and Mt Eliza from our boundaries and to incorporate Carrum Downs etc. As a club with over 400 junior football participants, including five girls teams and this year a senior football 1st and reserves, we rely on our fellow sports clubs and interconnection with our players from these areas. A lot of our players come from Mt Eliza and Mornington and should remain under the same Dunkley umbrella. We have had a great working relationship with Bruce Billsom in the past and now with Chris Crewther who have worked tirelessly in engaging our sporting communities across the region.

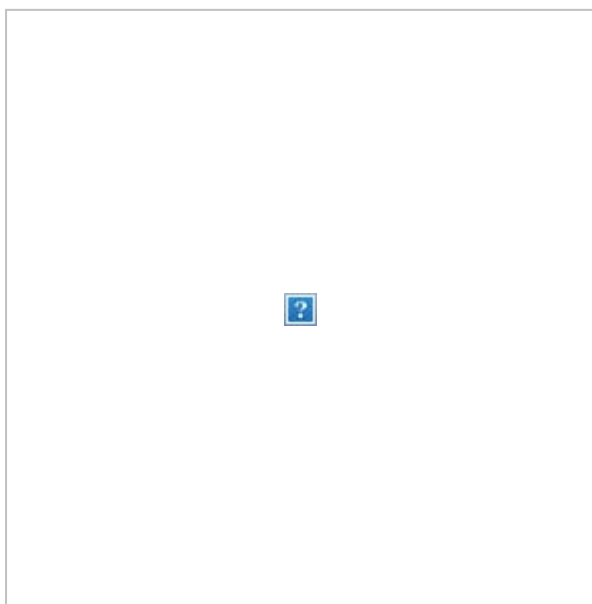

Frankston has had a long history with Mornington and Mt Eliza and to take them from the seat of Dunkley and add the newer suburb of Carrum Downs I find irresponsible. Frankston has always been the gateway to the Mornington Peninsula and we have a strong community connection with Mt Eliza and Mornington. We use the health services and shop in Mornington as if part of our own village. Mt Eliza business support financially our club through sponsorship because they see the advantages of being involved in our community of Frankston.

I can see no benefit in excluding Mornington and Mt Eliza from our Electorate Dunkley so hereby on behalf of the Frankston Dolphins Junior Football Club, Frankston Dolphins Football Netball Club and Baden Powell Cricket Club, strongly object to the changes of boundaries.
