Andrew said that his team are likely going to write to Mums for Nuclear and/or Nuclear for Australia – please ensure we are in the loop with this and that the wording about registration obligations is included.

Hi Joanne,

ss 47C, 47E(d)

Wording for media for your consideration is as follows:

The AEC is aware of the entities mentioned, and are addressing disclosure and authorisations considerations directly with the entity. Should the entity be required to register as a significant third party or an associated entity, they will appear on the AEC's Transparency Register.
