Subject: Renaming the electorate of Bean
Date: Tuesday, 10 April 2018 12:58:58 PM

To whom it may concern,

As a Canberran, I think the electorate of Bean should be named Cullen in recognition of the important legacy that Ngingali Cullen, a hard working Aboriginal Canberra woman has left for our nation.

I think it is important to see stronger representation of important historical women in the names of electorates.

Kind regards,
Juanita Watters
