Question: I wish to object to the proposed redistribution of the suburb of Karana Downs (4306) from the Ryan electorate to the Blair electorate. Since we have lived in Karana Downs (30 years) the suburb has been consistently redistributed at both local council, state and federal electoral boundaries. The Brisbane river is a natural geographical boundary for the Ryan electorate. This is also the boundary of the Brisbane City Council and the Moggill State electorate. It does not make any sense to have Karana Downs as part of the Blair electorate which is on the south side of the Brisbane river and part of Ipswich not Brisbane City Council. Please reconsider. Thank you.
