Dear Australian Electoral Commission,

I have moved into the Flagstaff Hill suburb 3 years ago. Although young compared with some of the current residents of Flagstaff Hill, I believe my objection of change to the Boothby borders counts. I have three children that go to Flagstaff Hill School; attend swimming lessons at the Marion swim centres and attend netball and football at the Flagstaff Hill/ Happy Valley Club. I am a Registered Nurse and work locally at two of the aged care facilities in Flagstaff Hill/ Aberfoyle Park and my wife works within the Boothby region. Unless the boundry changes come with a guaranteed significant reduction (and on going) in council rates and continuous suburb improvement, I oppose the proposed boundry changes.

Yours sincerely, Abdulmajid Geyash
