To the Redistribution Committee for South Australia,

I write to make suggestions to the South Australian Federal Redistribution currently being undertaken by the Australian Electoral Commission.

I am a constituent of the Federal Division of Mayo.

I do not believe that the Division of Mayo should be abolished in this redistribution process. I note that the committee responsible for managing the redistribution must consider;

1. Communities of Interest within the proposed electorate, including economic, social and regional interests.
2. Means of communication and travel within the proposed federal electorate
3. The physical features of an area of the proposed federal electorate.

With these criteria in mind, I do not believe that the Division of Mayo should be abolished.

I hope you will consider my submission, and that you will see fit to keep the Division of Mayo as one of the ten electoral divisions in South Australia.

Yours sincerely, Sarah Bamford
