To the Electoral Commission

A year or so ago I spoke to a candidate for council election & spoke about youth problems in Wonthaggi & the fires many houses burnt down, he claimed he had seen first hand, the problem in Redfern (Race Riots) we discussed how the problems could be solved, as I had seen problems had been addressed through sport in Kewee-lock, in 1979, after historical hall burnt down in 1978, footy club had turnout in hall that night, from the code of conduct, two juniors from that era Brett Lovett third in the Brownlow & Drew Ginn awarded the Thomas Hollow Medal, a "World award," for services, to rowing, I was told that I would receive information, to make a submission to put forward the name Drew Ginn information received on the 11th May, the behavior of our Australian cricketers (Men), Tennis players & the problems, within our Australian football of some players, will be still talked about 100 years from now, it makes for good television, & fills newspapers, I speak to newcomers to the area & they have never heard of Drew Ginn,

Yours Sincerely

AEC VIC SO 14 MAY 2018
