Subject: AEC boundary review Corangamite
Date: Tuesday, 28 November 2017 11:54:33 PM

Our Chamber of Commerce has over 100 members in Apollo Bay and district. Our members are committed to the economic wellbeing of our part of the world.

We understand that it has been suggested by some parties that the outcome of the local electoral boundary review should be that the Colac Otway Shire area be moved into the Wannon electorate.

We are very concerned that such a change would have a detrimental effect on our community.

Apollo Bay's social and economic interests are inextricably linked with Geelong and the Surf Coast. Our community connects to Geelong in regard, major retail, education and health services.

Our common business interests are with like businesses along the Surf Coast.

We do not relate to the Wannon electorate.

We want Apollo Bay to remain in the Corangamite electorate.

If it is possible we would welcome an opportunity to expand on our case in person.

John Gorman

President
