Attachments: [vic-Jodie Emmett-.pdf](#)

Victorian Redistribution objections uploaded from the AEC website.

Name: Jodie Emmett

Organisation:

Address: [REDACTED]

Phone number: [REDACTED]

Additional information: I was horrified to see the proposed name change for the seat of Corangamite to Cox. The aboriginal word Corangamite is incredibly meaningful to the region and it would be completely ludicrous to change away from an Aboriginal name to a western name - especially in these times. The word Cox could easily be construed as meaning penis, especially when said along side "the member for Cox" .. really?
