Additional information: Flemington/Travancore - This is my objection to the proposed transfer of Flemington/Travancore from the federal electorate of Melbourne to Maribyrnong. Flemington is a totally different neighbourhood to Maribyrnong and has different needs to Maribyrnong. Flemington is more closely aligned to Kensington with many local clubs combined e.g. RSL, Bowling Club, Library, Sporting clubs etc.

Flemington/Travancore - This is my objection to the proposed transfer of Flemington/Travancore from the federal electorate of Melbourne to Maribyrnong. Flemington is a totally different neighbourhood to Maribyrnong and has different needs to Maribyrnong. Flemington is more closely aligned to Kensington with many local clubs combined e.g. RSL, Bowling Club, Library, Sporting clubs etc. My desire is to stay in the electorate of Melbourne as that is where I use the local facilities and travel to Melbourne frequently on public transport.
