**Re: Proposed new boundaries for Victoria**

As a long-term resident of Flemington, Victoria I wish to **oppose** the proposal for new boundaries which would result in Flemington being moved from the federal seat of Melbourne to Maribyrnong.

My objection is based on the following reasons:

- Flemington is very different demographically to Maribyrnong.
- Flemington has different infrastructure needs to Maribyrnong. This includes greater demonstrated need for cycling infrastructure, open space, language and youth services.
- The housing density of Flemington is more than twice that of most of Moonee Valley/Maribyrnong and this requires a different approach to services and infrastructure.
- Flemington has historic, geographic and demographic connections to Kensington. The Flemington-Kensington connection has been ignored at local and state boundary changes.

Flemington is best served by remaining in the federal seat of Melbourne.

Thank you for the opportunity to provide a submission to the redistribution proposal.

Yours faithfully

Jennifer Brown
