Hotham Electoral Redistribution.

I have been a Hotham resident for nearly two decades. I was disappointed to learn that the suburb I live in, Dingley Village, will be removed from the Federal Electorate of Hotham. Dingley Village is nestled amongst Clayton South, Springvale and Springvale South, and it derives a great deal of cultural diversity from these neighbouring suburbs with which it shares a community of interest. It is therefore disappointing that Dingley Village will be separated from its surrounding community.
