To whom It may concern,

I wish to register my strong objection to the proposed amendment of electoral boundaries to the seat of Corangamite.

Colac-Otway Shire is closely linked and allied to the Geelong Region in a host of ways.

Economically, Employment, Tourism (including the critical Great Ocean Road corridor), Medical Services, Professional Services, and Education; to name but a few.

Furthermore, we should be maintaining the status of the Electorate as marginal, to ensure we are not 'forgotten' by the elected Government at the time.

The idea is quite simply ridiculous !

If it is not broken, why fix it!!

Regards,

Michael Stewart
