Subject: FEA change of name for Victorian Electorate of Casey
Date: Thursday, 15 October 2020 6:18:18 PM

Dear Sirs,

I would like to submit a request for the Federal Electorate Assembly of Casey in Victoria change it's name for the following reasons:

The name "Casey" is frequently confused with a Victorian Local Government Area "City of Casey" which causes considerable confusion within the community and sometimes, in the media.

The name "Casey" is without relevance to the people in the electorate as the person it was named after, Baron Casey, was a former Governor-General who resided in Berwick, outside the Federal Electorate Assembly.

In my opinion, the name should be changed to reflect the history of the area by approaching the Elders of the local Indigenous citizens of the electorate and seeking their advice as to an appropriate name.

Yours faithfully

Lorie Werner
