## Let's include the Narry, Pioneer Village and Pioneer Village School in Burt - Redistribution Petition

Redistribution Committee for Western Australia  
via online portal

Dear Redistribution Committee Members,

### OBJECTION TO EXCLUSION OF BALANCE OF ARMADALE FROM DRAFT DIVISION OF BURT

We, the undersigned, object to the continued exclusion of the part of Armadale that includes Ye Olde Narrogin Inne and Pioneer Village from the Federal Division of Burt.

Ye Olde Narrogin Inne is named for the Narrogin Brook, which flows through the heart of Armadale and famously associated with the City of Armadale.

Ye Olde Narrogin Inne is also the favoured and famous drinking hole for residents in the south-east portion of the Division of Burt, so it seems unfair and unreasonable that Ye Olde Narrogin Inne itself fall outside of Burt.

Pioneer Village is a landmark and tourism destination long associated with Armadale, and contains the still active Pioneer Village Primary School.

On this basis and given that no electors are effected by such change, I object to the current proposal and seek its amendment so that the entire suburb of Armadale, including the Ye Olde Narrogin Inne is included within the Division of Burt.

Yours faithfully,
