Re: Moving some areas out of Bennalong electorate into the Berowra electorate

We are strongly opposed to this move and as living in Mobbs Lane, Carlingford we could not be any further from Berowra, and fail to see what benefit this redistribution could be to any of the areas you are proposing to move.

The local Federal member has his office in Epping and has had for quite some years if he did not move office he would then be in Berowra.

With the State boundry redistribution we have been moved out of Epping into the Ryde Electorate what is going on?

We strongly oppose this proposed redistribution and fail to see any benefit for our local community.
