Dear Sir/Madam

I am a longstanding resident of Avalon Beach and am writing to express my concern and objection in the strongest possible terms to the possibility of MacKellar's boundary being moved west to incorporate North Shore suburbs such as St Ives at the expense of losing Northern Beaches' suburbs to our south. St Ives and its surrounds are geographically, socially and culturally very different communities of interest from the Northern Beaches.

Please keep MacKellar wholly within the Northern Beaches' LGA.

Yours faithfully,

[REDACTED]
