Dear Redistribution Committee,

Further to my previous letter, I wanted to reiterate my agreement with:

1. Keeping the divisions of both Warringah and North Sydney, and
2. Zali Steggall's objection #671t
3. Kirsty Gold's objection #618

There is a genuine sense of belonging to electorates in this area and I believe this maintains the strength and integrity of our democracy.

Once again, I appreciate the ongoing work of the AEC in search of an appropriate solution.

In conclusion, I urge the committee to preserve both the Warringah and North Sydney divisions, recognizing those like me who feel heard as part of the electorate's community.

Regards

Jillian Deere
