AEC Redistribution

Dear AEC

I am enrolled in the electorate of North Sydney. I understand that the boundaries of this electorate may be redrawn and I would like to propose that they be extended to the east and north to take in the whole of the Willoughby City Council area. This is the local government area in which I live. It is quite a homogenous area and it has always seemed strange to me that parts of it fall into other electorates. North Sydney should include the whole of Chatswood, for instance, as far as Boundary Street, and Castle Cove and Roseville Chase, as well as Middle Cove and Castlecrag (where I live).

Thank you.
