Comment on suggestion 77

As a resident of Cremorne within the North Sydney federal electorate, I wish to comment on the proposed changes in boundaries of the Federal electorate of North Sydney. I have read the submission of Kylea Tink, Independent member for North Sydney on Suggestion 22 and fully endorse her submission.

Tink has clearly outlined the communities in the relevant areas and expresses the problems with present boundaries (e.g. boundaries running through Chatswood and Neutral Bay) and the benefits of moving the boundaries north and east as she indicates. This would bring voter numbers to the level required to maintain balance among voter numbers.

Please give full consideration to the arguments made by Kylea Tink MP.
