Dear Commissioner,

RE: PROPOSED CHANGES TO DIVISION OF WARRINGAH BOUNDARIES

I am writing to object to the proposed changes to the boundaries of the Division of Warringah.

My proposal is to keep the communities of Killarney Heights, Forestville and Frenchs Forest within the Warringah boundary due to our close affinity to the Manly Central Business District and the Warringah Mall Shopping district, both of which remain in Warringah. It is important to keep our communities together as we have a tight knit community with common interests which will be lost if these suburbs are moved into another electorate.

Thank you for your consideration.

Regards

Amber Griffiths
