Dear Commissioner,

RE: PROPOSED CHANGES TO DIVISION OF WARRINGAH BOUNDARIES

We are writing to strenuously object to the proposed changes to the boundaries of the Division of Warringah.

We have been residents in the Warringah electorate for over a quarter of a century and respectfully request that the current boundaries should remain unchanged.

We believe it is important that the communities of Killarney Heights, Forestville and Frenchs Forest remain part of the greater community of the Division of Warringah, as we feel we still have much to offer.

The current boundaries are logical geographically and have served us well for the past 25 years.

Additionally, our close proximity to the Manly Central Business District and the Warringah Mall Shopping area, are good economic and social reasons for us to remain part of Warringah. This would continue to strengthen our tight knit community and foster our many common interests!

Thank you for your consideration.

Regards

Phil & John Gilmour
