Dear Sir/Madam

I have been a member of the North Sydney community for over 15 years and have come to love and cherish it. I have made countless connections with people in North Sydney over these years and have been involved in many activities.

The population of North Sydney is growing due to the number of new home units that are being built, along with the transport infrastructure that is being built, and it is inconceivable and shocking to me that we will see the character of our local marketplaces and meeting places diluted by the removal of our political hub.

I strongly object to the plan to remove the Federal Seat of North Sydney from the House of Representatives.

Dr Marcia Manning
