[REDACTED]

My objection to the abolition of the federal seat of North Sydney

I am a long time Bradfield AND North Sydney voter.

In my youth I lived at St Ives, then moved to Waruda St NS, then back to West Pymble and Pymble, and now as a long time resident of Chatswood.

I worked for ICL in Arthur St North Sydney for decades.

My experience while living and working in these two very different areas for eighty years, has enabled me to absorb the community essence. Its very different.

North Sydney, like Sydney City and Parramatta deserves to be retained as a historical hub.

Please reconsider North Sydney abolition.
