Dear NSW Redistribution Secretariat,

I am writing to object to the proposed new boundaries of Bennelong.

Epping has less in common with the Berowra division regarding the Index of Economic Resources. Including it in the Berowra division may enhance its position as a satellite community that does not receive due attention.

Culturally, Epping has more in common with Eastwood and Marsfield, and removing it from the current shared administration may lead to confused expectations for residents, particularly at the border of Epping and Eastwood.

Thank you for your consideration.

Sincerely,

Ash
