

**THE FEDERAL  
REDISTRIBUTION  
NEW SOUTH WALES**

# Objection 412

1 page

North Sydney

I would just like to comment on the electoral boundary changes. I do not understand why a federation seat has been removed from existence, yet other options were available to the AEC, such as the removal of the seat of Warringah. Such a change wouldn't require any changes to the current boundaries that the AEC have ruled up, but at least save the North Sydney name and instead get rid of an insignificant name like Warringah.
