Dear AEC

I am a resident of Northbridge NSW. As it is intended to abolish my Federal seat I will no longer have any local representation. I acknowledge that the actions relate to the changing demographic of the Sydney Suburbs but the representative process both at State and Federal levels has been slowly deteriorating to the point where it is no longer relevant.

I did not ask to be placed on any compulsory electoral roll and now request to be permanently removed from the roll.

Please send this to the appropriate AEC department and confirm that I have been removed from the roll.

There can be no legal obligation to vote without a genuine commitment to meaningful representation.

Please note that at the date of this letter I regard myself as no longer enrolled.

Regards
