PROPOSED CHANGES TO FEDERAL ELECTORAL BOUNDARIES

We note the AEC's intention to remove Korora NSW from the Cowper electorate and move it to the Page electorate. Having lived in Korora for close on 30 years, my wife and I can speak with authority in saying we have much closer ties with Coffs Harbour than with Grafton, much further to our north.

We strongly object to the proposal to make this electoral boundary change.

Signed,

R M Rigney

A J Rigney.
