

**THE FEDERAL
REDISTRIBUTION
NEW SOUTH WALES**

Objection 694

I am strongly opposed to the redefinition of the renaming of my electoral area under the 2023-2024 New South Wales federal redistribution. I have lived in North Sydney for the last 44 years, and believe that the name is appropriate for our city, while none of the surrounding suburb names would be. It is a REALLY STUPID idea, which I hope you will cancel.
