Dear Redistribution Committee,

The Park Orchards Cricket Club is a dedicated local community cricket club.

We currently have teams in the Woolworths Blast (Under 8), Under 12's, 14's, 16's, hopefully Under 18's, Seniors and Vets. We are planning to have Super 7's and Fast 9's this season as well.

We welcome this opportunity to provide input into the redistribution process.

We would like to write in support of the proposed redistribution, particularly with respect to the inclusion of Park Orchards in the electorate of Deakin.

Park Orchards is a suburb closely connected to Ringwood in the Deakin electorate. Whether it's transport, schools, sporting competitions, health services or shopping, Park Orchards is very closely connected to Ringwood in virtually every way possible.

With the constant demand on local community groups to keep up with the needs of our members, we believe cohesive electoral boundaries assist in working with elected representatives to achieve our goal of delivering success and player development.

We therefore strongly support the decision to include the suburb of Park Orchards into Deakin, as from a club membership perspective this better reflects our cricket community.

We thank the Redistribution Committee for your consideration of the above.

Yours sincerely,

Craig Hunt
