To whom it may concern:

I am writing with the intention of objecting the recent redistribution, specifically the abolition of the electorate of Higgins and the simultaneous division of the stonnington community.

With most of Higgins basing around the stonnington LGA, dividing this constituency would cause backlash as it divides schools, sports teams, and local clubs, and harm the level of advocacy we receive.

Furthermore, I believe that the name Higgins must be retained as it has been the seat of two prime ministers and due to its historical significance.
