Feedback

As a voter in Higgins for almost 40 years, not linked to any political party, I'm writing to inform you of my disappointment at the proposed dissolution of the Higgins electorate. I've never been been a member of any political party and certainly am not a rusted on supporter of any party. However, I have to say I have been most pleasantly surprised at the skill of the'current member in engaging people, making them feel heard and assisting where possible. In a fan of her. We need more people like her in the parliament. The kids of her seat would be a great setback.
