Enquiry details

I have seen advertising about redistribution of electorates prior to the next federal election and would like to make a request for re-evaluation of my electorate. My address is [REDACTED] [REDACTED] Nulla Vale which places me in the Nicholls electorate, the very south west corner. The member for Nicholls has had zero engagement with my locality and in fact I would think zero interest. I never travel or used any facilities within the Nicholls electorate and in fact, all my dealings are between my residence and Melbourne. The member for Nicholls has no say over the area that affects me. McEwen would be a much more appropriate electorate.

I would like to request a change of electorate that is more consistent with my living and a member that has an interest in the what affects me.
